

“Implementation agreement of ‘Green Wicket’ signed between Jharkhand State Cricket Association and German Development Co-operation, Ranchi”, 22nd November, 2017

EVENT REPORT

Implementation agreement of ‘Green Wicket’ signed between Jharkhand State Cricket Association and German Development Co-operation, IIWM being the execution partner of this project

On November 22nd 2017, Implementation agreement of “Green Wicket” was signed between Jharkhand State Cricket Association (JSCA) and German Development Co-operation (GIZ), a German Government undertaking in Ranchi, Jharkhand. The agreement was signed at the Dhurwa stadium between JSCA Secretary Debasish Chakraborty and Principal Adviser of Green Wicket (GIZ) Joerg Gaebler. The objective of the “Green Wicket” project is to promote environmental awareness to general public through the game of cricket, cricketers as ambassadors and cricket stadiums as demonstration units to showcase eco infrastructure. International Institute of Waste Management (IIWM) is the execution partner of this project for Waste Management, Wastewater Management, Water Management and Greenery. The signing ceremony took place in the presence of Mr. Amitabh Choudary, Secretary, The Board of Control for Cricket in India (BCCI), Dr. Michael Feiner, German Consul General of the North East region and Ms. Bineesha, Executive Director, IIWM. Shri. M. S. Dhoni is the brand ambassador for this initiative
